Overview

I-TECH has created a web application called TrainSMART – Training System Monitoring and Reporting Tool. TrainSMART has included an In-Service training tracking module since 2008. This guide serves as the training manual for the newest module that includes the Human Resource Inventory module.

Terminology

There are many terms used throughout this document to describe various parts of the site. These are defined below.

The screenshot displays the TrainSMART web application interface. At the top, there is a green navigation bar with the following menu items: HOME, PARTNERS, EMPLOYEES, REPORTS, and MY ACCOUNT. A red box highlights the 'EMPLOYEES' menu item, with a red arrow pointing to it labeled 'Main Menu'. Below the navigation bar, there is a search form titled 'Search Employees'. The form contains several input fields and dropdown menus, each with a red arrow pointing to it and a label: 'Labels' points to the 'Province' dropdown, 'Drop-down Box' points to the 'District' dropdown, and 'Button' points to the 'PREVIEW' button. Below the search form, there is a table of search results. The table has 10 columns: ID, First Name, Surname, Gender, Province, District, Sub-District, Site, ID Number, Passport Number, and Occupational Classification. The table contains 5 rows of data. A red arrow points to the table with the label 'Results'.

ID	First Name	Surname	Gender	Province	District	Sub-District	Site	ID Number	Passport Number	Occupational Classification
1	Victor	Pepper	male						730506 6565 082	C3020200- Dental specialists
2	Augustine	Leberegane	male							NC04-Countr Director
3	Mangaliso	Leberegane	male	Gauteng	Ekurhuleni MM	Ekurhuleni E1 SD	gp Glynwood Hospital			C6010300- Middle Managers
4	Mangaliso	Leberegane (Test)								NC04-Countr Director
5	Lesego	Letebele	male							NC05-Data Capturer

- **Main Menu:** How a user navigates through the site. Clicking on an option on the main menu will display the drop-down menu underneath. Then you select the page you want to go to.
- **Drop-down box:** Click on the down arrow to display your choices and then select from the list.
- **Buttons:** Are typically green and will perform a task, such as executing a search.
- **Results:** A window that appears below search or reporting criteria that display the data that was returned by the user's request.

Logging In

To use the application, all users must have an account and login.

1. To log in, go to the URL provided to you for your country, which will look like this:
[http://\[your country project\].trainingdata.org/](http://[your country project].trainingdata.org/) (Your administrator will provide you with the exact address)
2. At the landing page (shown below), enter your user name and password. This will be supplied by your project administrator.
3. Click on the "Sign In" button.

Welcome to TrainSMART Malawi
Training System Monitoring and Reporting Tool

Please login below:

[Forgot your password?](#)

[SIGN IN](#)

Forgot Your Password?

If you have forgotten your password, you can get a new temporary password created.

1. From the landing page, click on the link “Forgot your password?”
2. Enter the email address assigned to your account.
3. Click on “Send password” button.
4. You will receive an email at that email address with the temporary password.

Partners

The Partner page can be accessed by hovering over the Partners hyperlink on the menu bar. A drop down will appear and View/Edit Partner can be selected.

HOME	PARTNERS	EMPLOYEES	REPORTS	MY ACCOUNT
Search Part	View/Edit Partner Add Partner			

View/Edit partner

This will open up the “Search Partners” Page.

Search Partners

Select Criteria

Partner Name

ID	Partner Name	Province	District	Sub-District
1	I-TECH	Gauteng	Tshwane MM	Tshwane Cent SD
2	AIDS Training Centre (ATC)	North West	Bojanala Platinum DM	Rustenburg LM
3	Human Sciences Research Council (HSRC)	Gauteng	Tshwane MM	Tshwane Cent SD
4	National Department of Health (NDOH)	Gauteng	Tshwane MM	Tshwane Cent SD
5	Test Partner (Augustine)	Limpopo	Capricorn DM	Polokwane LM
6	Kuruman Community Development Centre (KCDC)			
7	Health & Welfare SETA			

**All data is not reflective of actual employees and is for training purposes only*

1. Print: click on this link to print the list generated
2. Export: click on this link to export the list to Excel for further analysis as required

Note:

- All columns are sortable by clicking on the column header.
- This search can also be used as a report by returning to the screen selected criteria based on personal selections.

Click on the ID desired to open up the partner page, where you can view/edit the data as required. If no search criteria are selected, all partners in the database are displayed. To filter for a specific partner, you may select one or more selection criteria.

Note:

- You do not have to fill any of the search fields to generate data.

The Edit Partner page contains the following data points:

1. Partner ID – A system generated ID
2. Partner Name
3. Type of Partner
4. Address1 and Address2
5. City/Region A/Region B
6. HR Contact Person Name
7. HR Contact Office Phone
8. HR Contact Office Fax
9. HR Contact Email

Employees

The Employee page can be accessed by hovering over the Employees hyperlink on the menu bar. A drop down will appear and View/Edit Employees can be selected.

HOME	PARTNERS	EMPLOYEES	REPORTS	MY ACCOUNT
Search Employees		View/Edit Employee	Add Employee	

View/Edit Employee

This section enables the user to make view or edit employee's information. To view or edit an employee in the system, you must first search for the required person. To search, click on the View/Edit Employee tab.

Select from the drop down lists for one or more of the criteria listed below to identify the employee you want to view/edit. If no search criteria are selected, all employees in the database are abstracted. **Note:** you do not have to fill all of the search fields to generate data.

1. First Name: enter the specific first name of the individual required
2. Surname: enter the specific surname of the individual required
3. Province: select the specific province the person is based at from the drop down lists.
4. District: select the specific district the person is based at from the prepopulated drop down lists.
5. Sub-district: select the specific sub-district the person is based at from the prepopulated drop down list.
6. Partner: select the name of the partner from the prepopulated drop down list
7. Site Name: select the specific site the person is based at from the prepopulated drop down list.
8. Occupational classification: select the occupational classification from the prepopulated drop down list.

Once you have entered or selected the search criteria, click the "Preview" button on the right footer of the page to generate the employee list filtered by the criteria selected.

A table will appear on the footer of the screen as per the selection criteria. Just selecting Preview without any criteria will return all Employees.
